

All that is needed for evil men to triumph
is for good men to do nothing

It Would Have Been Enough

Book II of *Manny's War and Peace*
is a novel combining truth with fiction about people
living through a brutal war where normal human beings
can become cold-blooded killers

In Vienna, 1938, sixteen-year-old Manny Grenfeldt's life changes dramatically. In response to the persecution of Jews, who live with the ever-present threat of being beaten or killed, he attends self-defence classes on how to use everyday items like pens and keys as weapons. But all the self-defence in the world cannot stop the brutal torture and murder of his father or his mother's suicide. From this moment on, Manny is intent on revenge, not just for his parents, or even for every Jew, but for every human being destroyed by a terrible evil...

'Manny leant forward, staring into the mirror. These were not the eyes of a killer, but one who had to kill, and there were some people who deserved to die. *Vengeance is mine, sayeth the Lord.* The Jewish Brigade were now at the peak of fitness, ready and rearing for a fight – like mad dogs on a leash, wanting to break free and to have their revenge on the enemy opposite. It didn't worry them one little that facing them were the elite paratroopers of the Jaeger Division...'
